

App. No. 10/065,749

In the Drawings:

Corrected Drawings are attached. A Reference to the System 1 has been added to Figure 1. All of the other elements as specified by the Examiner on pages 3-4 are on Figure 1. These include workstation 10, a monitor 20 and keyboard 22, a computer processing unit 12, floppy drive 14, mouse 16, memory 18, network interface 26, external storage 32, a central server 30, and storage medium 32. If these are not what the Examiner wants, Applicant kindly asks Examiner to specify what is missing since Applicant believes that they are giving the Examiner what the Examiner is requesting~~X~~.

In Annotations of Drawings

Figure 1. - Labels/Item Numbers that ^{were}~~were~~ missing have been added per Examiner's request. Newly added Labels are the System 1

Figure 3. - Drawing has been corrected to only reference 10 as a workstation.

REMARKS - General

Applicant's Attorney is sending this response to the Examiner's Action and is best trying to meet the request of the Examiner. Applicant believes that they have addressed all of the Examiner's comments and requests. If not Applicant requests a phone conference to make that Examiner's concerns are addressed.

Conclusion

For all of the above reasons, applicant submits that the specification and claims are now in proper form, and that the claims all define patentably over prior art. Therefore the applicant submits that this application is now in condition for allowance, which action is respectfully solicited.

Respectfully submitted,
